### 1. Stops Litter Scatter:

Mouzers aMazing Litter Box Cover is designed with offset openings to contain and keep litter off of your floor. A standard large litter pan\* will fit snugly inside the inner chamber to help your kitty from accidentally "missing" their pan also.

### 2. Eliminates Odors:

The heavy corrugated paper construction of Mouzers aMazing Litter Box Cover™, along with the double compartment design, helps to contain and absorb offensive odors.

\*standard large litter pan readily available in most discount, grocer and pet stores. Recommended usual size 18.5" X 15.25" X 5"

### 3. Keeps Dogs Out:

The offset maze design along with the "cat" size entry will detour and prevent most dogs from accessing your cat's litter pan.

### 4. Environmentally Friendly:

Mouzers aMazing Litter Box Covers™ are manufactured from renewable and recyclable paper products.

Mouzers aMazing Litter Box Covers™ are currently available in a unique Zebra designed print, natural Brown Kraft or Klay White corrugated paper. Overall dimensions are 30" X 16.5" X 16.5" .
